## GARDEN SPONSORSHIPS

Sponsor a flower garden in Downtown Geneva honoring a birthday or anniversary, as a Thank You or in memory of a loved one.

Each garden is adopted annually by a group or individual and will be planted and maintained during the year on your behalf. Your sponsorship covers the cost of flowers and supplies for the garden during the year.

A sign acknowledging your sponsorship will be placed in the garden area of your choice for a year or more — depending on your sponsorship — which varies in price depending on the size and location of the garden.

The Geneva Beautification Committee (GBC) is a group of volunteers that plants and maintains 50 gardens in Downtown Geneva, from very large garden knuckles to stand alone planters. We do 3 plantings a year—spring, summer and fall, tend the gardens during the growing season, and prepare them for spring and winter. About 75% of the flowers are funded by donations and our fund-raising efforts.
